

Wo are we ?

APELM, «Association des Parents d'Élèves du Lycée Jean Renoir à Munich» is a voluntary and independent parents' association, present at all key moments in our children's schooling.

APELM is **involved in the day-to-day life of the school**, as well as in **future projects**, and its mission is to **represent parents** on official bodies (school council, class councils and various committees).

The APELM office

Elected for 2 years:

- Chairman,
- Vice-chairman,
- Treasurer

Supported by a secretary, an EBEP advisor ("Élèves à Besoins Educatifs Particuliers" - pupils with special educational needs) and a webmaster.

The elected parents

Representatives on the school board (Conseil d'Etablissement - CE) and official committees. Joint-list with the parent's committee (Elterbeirat) of the primary school.

The members

The APELM presents the list of candidate parent delegates (from among its members) to the Management for validation and official appointment.

APELM members can participate in working groups on a regular or ad-hoc basis.

Becoming a member also simply means that the association is more representative and allows you to make your voice heard.

The association carries more weight and is necessarily more listened to than an individual parent!

The APELM team

Why join APELM?

APELM keeps you informed and helps you to understand how the school works, so that you can follow your child's education as closely as possible.

The association is also there to guide you and can help you to resolve problems related to the school or other issues.

APELM is committed to:

- ensuring the well-being and success of each of our children
- keeping you informed about school life in general, as well as ongoing and planned changes and pupil's options
- acting as an intermediary: we are a constructive link between parents, the school management, teachers and pupils
- implementing-actions throughout the year by means of to the board and its various committees

APELM's main objective is to protect the interests and well-being of the children and their parents.
